RE: Cameron Martin

To Whom It May Concern,

I am writing this letter of recommendation regarding Cameron and his abilities and calling as a pastor. I have known Cameron as a fellow pastor for almost 10 years. Cameron pastored a neighboring church in the same town as I did. We became acquainted as co-workers in the Kingdom who supported each other in our calling to serve God and God's people. It was my privilege to serve along side him in the city of Newport, Oregon.

I had opportunity to watch Cameron engage his congregation in a loving and caring manner. He is especially creative and full of energy. His musical skills are a rich addition to any pastoral team. Additionally, he is an outstanding preacher and communicator of God's word.

I think you will find his servant's heart a delightful resource for any congregation and staff. He will shepherd and love the folks that God places before him. And he will be a good friend and resource to local pastors and staffs.

Please feel free to contact me personally for additional observations regarding this talented man of God.

Sincerely yours,

Rev. Donald M. Minter
