

GRACESCOTTSDALE
"God's grace changes everything"

February 15, 2020

To Whom It May Concern:

I am pleased to write a letter of recommendation for Cameron Martin. I've known Cameron for more than 10 years and have had the privilege of serving and leading alongside him in church ministry and youth event planning. Cameron was one of our church's pastors and grew a thriving youth ministry that has reproduced ministry leaders serving in pastoral roles today! It is clear to me that Cameron is anointed to lead and maintains a great level of influence with those he ministered to. During this time he has kept good relationships with friends, his wife, and those he has served and served with.

The greatest opportunity I've had to work closely with Cameron has been while starting a state-wide youth conference in Arizona that, over a few years, grew to 250 attendees. It was truly a pleasure to work with Cameron on this project as his leadership and planning insight was incredible. I've known him to be hard working, easy to work with, and to keep his commitments. He is a great team player and brings strength to the leadership. He is also a skilled worship leader and speaker.

It is an honor to be counted as a friend of Cameron and I hope to serve with him again in the future. Please contact me at kari@casteel.info or (623) 258-3613 if you have any questions or need more information.
