To whom it concerns,

I am writing to attest to the character of Rev. Cameron Martin, whom I have known for approximately 16 years.

Rev. Cameron Martin was my youth pastor many years ago, while he served at Grace Chapel in Scottsdale, AZ. He has been an excellent role model in my life and was a huge asset to me during my time in High school. It was due to his leadership and calling that I too was called into the ministry and now serve as a Children's Pastor in Tucson, Arizona.

I have been pleased to witness Rev. Cameron Martin's growth over time and have enjoyed watching him continue to pursue God's plan for his life & the ministry he's been called to. I look forward to where the Lord takes him next. I respect him as a person of good moral character, faithfulness, integrity and with a definite call to ministry.

In His Grace,

Rev. Kenneth Lee Cheeseman
Children's Pastor
